Sir,

I have the honour to state that on the application of Village Panchayet Member and V.P. Chairman of Pallaghatta - village, Jagalur Taluk in the matter of establishing a weekly shandy at the place on every Monday, a recommendation of the Amildar, Jagalur Taluk was received in this Office supporting the prayer of both the Village Panchayet Chairman and the - Member.

Thereupon, report of the Sanitary Inspector was called for as to the feasibility or otherwise of holding a shandy at this village with a sketch showing the proposed shandy site. It is reported that the site in front of the Mari Temple has been selected, that the site so selected by the Village Panchayet Members and Chairman for shandy ground is within the - gavtana quite sufficient for the purpose, that there are many trees standing on the proposed shandy ground to take shelter by both men and cattle who congregate in the shandy, that there is a draw well in the vicinity wherefrom water can be used both for men and cattle, that Pallaghatta being the biggest village in Bilichodu hobli (~~except~~ing Bilichodu) containing a population of 1602 is surrounded by good many villages where fertile lands are situated, that good agricultural produce is expected to be brought to shandy for sale as there are no shandies within a radius of 5 miles and that there is every probability of being improved as it has had all the required facilties for
